Ceo Message:

I would like to thank you for all the contributions of the participants while closing the 60th Ordinary General Assembly of Türk Prysmian Kablo.

As switched to the new normal in 2022, after the global pandemic that caused radical changes all over the world, there was an acceleration in digitalization and technology far beyond expectations, and rapid transformation in many areas from business practices to communication, transportation, and production. In these tough times, we have tried to remain as close as possible to our shareholders by benefiting from all the technological means.

While we continue our efforts for continuous development and transformation in the areas we operate, we continued our investment and production activities that create added value for our economy and society without slowing down.

I would like to express my deepest gratitude to each Türk Prysmian Kablo employee and my esteemed colleagues for all their devoted work, who made it possible to achieve our goals in 2022 despite all the difficulties arising from the uncertainties in the global markets.

FOR THE YEAR 2023:

As Türk Prysmian Kablo, we will continue to contribute to the national economy by strengthening our business model in order to integrate economic, social and environmental responsibility in all areas of our activities and to create value for our stakeholders and society.

As one of the companies with a leading and important position in its sector, and with the inspiration we get from our mission "Connecting Turkey to Sustainable Futures"; While we continue our sustainability, R&D and digitalization efforts, which we focus on, we will continue to produce, promote Turkey abroad and successfully lead the cable industry.

As Türk Prysmian Kablo, we will do our best to add value to our investors, our industry and our country in 2023 as well.
